The Computed Tomography Program is a selective admission program, and a points-based system determines admission. To see how points are determined, refer to the [Candidate Selection Form](). *A 2.75 GPA is required to be eligible for this program. Incomplete files will not be considered. Complete the following by the application deadline:*

- Complete the [Ozarks Tech Admissions process]().

- **Official transcripts from accredited schools attended other than Ozarks Tech must be received by Ozarks Tech Admissions before the application deadline (preferably 4-6 weeks prior, to allow time for review).**

- Submit a CT (Computed Tomography) program application using the online application portal **[apply.otc.edu]() by the application deadline (preferably 4 weeks before the deadline)**.
  - Will need to upload your current proof of at least one of the following:
    - ARRT (R)
    - ARRT (N)
    - CNMT (NMTCB)
    - ARRT (T)
  - Provide the institution that provided you with your imaging degree or certificate.
  - Upload proof of an associate's degree or higher (if applicable)
  - Provide a professional resume that lists dates and includes references

- Complete TOEFL testing if English is not the student's native language and upload results during the online application process **by the application deadline**.

ENGLISH PROFICIENCY REQUIREMENT:

Students whose first language is not English must document their English language proficiency. This requires:

- Minimum TOEFL iBT passing score of 81, with a minimum speaking score of 24. *Program will waive TOEFL requirement if the student has already obtained a bachelor's degree from a US regionally accredited University*
- Student must satisfy this requirement by submitting a current TOEFL iBT score (Test of English as a Foreign Language) during the online application process **by the application deadline**.
- Testing is completed through the TOEFL website.
- The TOEFL report scores are valid for 5 years from the test date.
- This is separate from the test taken to be admitted to Ozarks Tech.

NOTIFICATION OF ACCEPTANCE:

- Based upon the program's admission scoring system, the 20 applicants with the highest score will be offered a position in the program and will receive information on the necessary steps to complete the program admissions.
- Information regarding acceptance or non-acceptance into the program will be delivered to students via the online application portal.
- The accepted students will receive an acceptance packet task list through their Ozarks Tech email account to complete the admission process.

REAPPLICATION:

- ✓ Applicants not selected for admission can reapply online for the next deadline.
- ✓ Contact the Health Sciences Office with any questions at (417) 447-8803 or healthsciences@otc.edu.

Ozarks Tech cannot guarantee that students classified under the Deferred Action for Childhood Arrivals (DACA) program will receive approval to take the licensure exam after program completion. Please contact the state or national agency that administers the professional licensure exam to inquire about the specific requirements for licensure exams.

Background Check – Students with a felony or a significant criminal history may not be able to participate in clinical experiences at some of our sites. They may not be able to apply for a license to practice. Contact the Health Sciences Office for additional information (healthsciences@otc.edu). Students may also contact the ARRT (American Registry of Radiologic Technologists) for a pre-program ethics review. Visit this page for more details on their process.
